

MyPosterGuard.com Gives You Complete Control Over Your Posting Locations

When you enroll in any **Poster Guard® Compliance Protection** service, you get immediate access to a secure, self-service, website that allows you to:

- View all federal, state, county and city posting changes that apply to your locations
- Audit compliance at every location in real time
- See full images of required postings at each location
- Check the status of all poster replacements
- Access printable PDFs of posters that experience a change to make sure you are in compliance while your poster replacement is being shipped
- Track shipments and confirm delivery of replacement posters
- Add/delete/update physical posting locations
- Easily add on services for remote employees or to comply with posting requirements for federal contractors, healthcare, or restaurant businesses
- Transfer coverage from one location to another
- Monitor pending posting changes
- Verify account status
- Download reports
- Easily pay invoices
- Verify poster receipt and acknowledgment for remote workers
- Get timely updates and articles from our in-house legal team about regulatory activity and new employment laws at the federal, state and local levels
- Access to a Minimum Wage Monitor that provides up-to-date state, county, and city minimum wage rates

MyPosterGuard.com is SOC-certified to ensure the strictest technical, administrative, and physical controls are in place to make sure your data is secure and protected.

MyPosterGuard.com makes it easy for businesses with hybrid workforces to manage labor law postings. Easily add, update, or drop Remote Worker services as needed.

For more information on why you should trust **Poster Guard® Compliance Protection** for all your labor law posting needs call 800-999-9111.
